

Use the CityU Bookstore to Order Course Resources!

Students have two options for locating their course resources from CityU's online bookstore (<http://www.ubookstore.com/cityu>). The "Buy From Us" option will display the course resource formats available for purchase directly from the bookstore (new, used, and rental). The "Compare Prices" option will display course resource formats available for purchase from the bookstore as well as options available from other online vendors such as eBook providers, Abe Books and Amazon.

Students in the Puget Sound region may also buy their textbooks in person at the University District store in Seattle, located at 4326 University Way NE, or ask to have their books transferred to one of the bookstore's regional locations for purchase (Bothell, Downtown Seattle, Mill Creek, or Tacoma).

Please note that the bookstore lists only books that have been adopted as required readings for your course(s). A complete list of required and recommended resources, as well as links to any eBooks, articles, or other library resources provided to you at no cost, can be found on the [Course Resource Guide](#) for your class. Course Resource Guides can be found through the Course Resources link on the library website, or the Course Overviews and Resources link on the My.CityU portal.

Buy From Us Option

When navigating the "Buy From Us" option, select the relevant quarter and enter the information you know. For example, if you are taking MBA 520: Managing with Technology, you may enter any of the following formats into the CityU Course # textbox: MBA, MBA520, or MBA 520. If you know the author, title, or ISBN for the book you may also use those textboxes to search for your course resources.

If inventory is available, select your preferred format and complete your order. If inventory is not yet available all options will be grayed out and you may either check back in a few days to order your books or contact the bookstore at 1.800-335.READ to learn when inventory is expected to arrive.

Compare Prices Option

When navigating the “Compare Prices” option, select the relevant quarter from the top drop down menu. Continuing top to bottom, select the Department, Course, and Section (the section will be “All” for most CityU courses). Note that you can select more than one course to compare at a single time, in this example MBA 520 and MBA 545. Once all your classes are selected, click on the “Compare Prices on These Course Materials” button.

When viewing your results list you may navigate between courses or resources using the menu on the left. Items may be listed as “Required” or “Choice” or “Choose One.” The required item listed is an exact match in format and ISBN to the course resource adopted by the faculty for your course. Items listed as “Choice” or “Choose One” reflect the same content in alternate formats (paperback, digital, loose-leaf, etc...). You need only purchase one copy of each required resource in the format you prefer.

Please note that when you see “FREE EBOOK THROUGH CITYU LIBRARY” in the title of a required resource, you may access this resource at no cost through the Course Resource Guide for your class. A link to the Course Resource Guide is available from the CityU Library, My.CityU portal, and in your Blackboard course under Course Information. Or click [here](#) to access the guide for your course.

Delayed Billing Option

CityU has arranged for eligible students receiving financial aid (federal, VA, and other sources) to bill their print course resources to CityU’s University Book Store account. Students selecting the City U Billing option will find their book costs deducted from their financial aid disbursement; provided their financial aid has not been disbursed prior to the book charges. CityU provides the bookstore with a list of eligible students with frequent updates.

Please note that it may take 5-7 days after receiving your award notice for the bookstore to be made aware of your eligibility.

When completing your order online, select your desired form of payment in the “CityU Billing” section of your cart. Please always include your student identification number, which you can locate in the Student Center on My.CityU. If using an aid source other than federal or VA, please indicate the source in the textbox provided.

At this time, rental texts are not eligible for delayed billing and require the use of a personal credit card.

Step 2 – Payment & Shipping

CityU Student ID: 12345678

CityU Billing: 12345678

Federal Financial Aid
 VA-Chapter 31
 Other

Please Note: Students using Financial Aid **DO NOT** need to enter a Credit Card number below, but please note that CityU Billing is not available for textbook rentals. If you are purchasing and renting in the same transaction, please include both your CityU billing number and a credit card number.

Buy Back

Students purchasing print materials from CityU’s bookstore are eligible to participate in their buy back service. For the best experience, students should first request a CityU Student ID card at IDCards@cityu.edu. Details on the buy back service can be found on the bookstore’s website

(http://www3.bookstore.washington.edu/buyback/uw_buyback.taf?action=form). Please check this site or contact the bookstore directly to answer any questions you may have about this service.

Questions?

If you have questions about bookstore inventory or about an order you have placed with the bookstore, contact them directly for information at 1-800-335-READ (1-800-335-7323).

If you want to see a complete list of required resources for your course, you may check the [Course Document Lookup](#) found on the library website or My.CityU. This list is updated approximately 40 days prior to the start of each quarter and is accessible 24/7.
